

# CALLING ALL ANIMAL LOVERS!

## SUPPORT YOUR FAVORITE ANIMAL AT AMERICA'S TEACHING ZOO

AMERICA'S TEACHING ZOO  
EXOTIC ANIMAL TRAINING & MANAGEMENT  
MOORPARK COLLEGE

Don't miss the chance to play an important role in your favorite animal's life. Our animal sponsorship program allows our community to show their support by making a difference. The cost just to feed the animals is more than \$100,000 per year. By making a donation to sponsor an animal, you're helping to pay for the care and feeding of furred, feathered, and scaled residents of America's Teaching Zoo.

Sponsor an animal for yourself, or surprise your friends, family, and co-workers with a gift like no other. Just choose your sponsorship level on the back of this flier and fill out the form. For questions, call America's Teaching Zoo at (805) 378-1441.

## ANIMAL AMBASSADORS COME IN ALL SHAPES AND SIZES

America's Teaching Zoo at Moorpark College houses over 130 animals of more than 90 species. Many of these animals are endangered in the wild, while others have found a permanent home here or otherwise could not survive on their own. This outstanding animal family is utilized in the instruction of students in the Exotic Animal Training and Management Program (EATM). Your sponsorship dollars will go directly to help one of our many animals listed below.

Bengal Tiger
