

Position Title: Animal Care Instructor

Company: Camp Kinneret Summer Day

Location: San Fernando & Conejo Valleys, Greater Los Angeles Area

2023 Work Dates & Hours:

This is a full-time summer position lasting 10 weeks.

Work Dates: June 12 – August 18, Monday – Friday

Work Hours: Approximately 8:30 a.m. – 4:30 p.m.

Company Description: Camp Kinneret Summer Day Camp is entering its 69th summer providing children ages 4 – 14 with a classic outdoor summer day camp experience. Our child-centered program strives to build a supportive community that nurtures positive growth and development by building relationships through shared experiences at camp.

Position Description: Animal Care Instructors teach campers how to interact with and care for the animals at our on-site farm, which is home to pigs, sheep, alpacas, and goats. They create and teach an animal care curriculum for campers aged 4-8 and focus on different topics each week like the animals' digestive systems or eye and teeth shape. Animal Care staff work together with the Pony staff to create and teach a fun and informative curriculum.

Position Qualifications: College-aged or older. A love for animals and a background in basic animal care is a must.

Transportation: Staff ride the bus to camp each day with their campers. Buses leave from North Hollywood, Sherman Oaks, Encino, Tarzana, Woodland Hills, Calabasas, West Hills, Agoura, Westlake, Thousand Oaks, Moorpark, Simi Valley, and Newbury Park. If your home is within 30 minutes of any of these locations, you can easily be a part of our program this summer.

Salary: Salaries vary based on position and previous experience. The range for a first-year staff person is approximately \$5,300 – \$7,000 for a 10-week summer.

Application Process & Deadlines: Applicants fill out an online application and then attend a Group Interview. Select applicants are invited to return for an individual interview with a director.
