

Chase Sanctuary Internship

Address of Sanctuary: SE 122nd Blvd, Webster, FL 33597

Internships at Chase Sanctuary provide valuable, hands-on experience to students in a wide-range of programs of study. Chase interns have an opportunity to work closely with full-time Keepers to:

- provide care to the animals including feeding, cleaning, enrichment and medical care
- monitor and observe animal behavior and physiology
- educate the public about endangered species and conservation

Internships include:

- Free on-site housing (if needed)
- Small stipend to assist with living expenses (if living on-site)
- Hands-on experience with critically endangered primates including the Ruffed Lemur and Cotton-top Tamarin
- Opportunities to work with over 15 unique species of mammals, bird and reptiles

For more information about Chase Sanctuary internships or to apply email us at info@chasesanctuary.org
